- Not skilled but will help in any area
- Other \_\_\_\_\_

When would you be able to help on projects?

- Monday through Fridays only

--

- Saturdays only

Any type of work you do not want to or are unable to do?

--

Volunteering for a project for only 1 hour on a day is acceptable. Many hands make the work easier for all involved.

**Volunteers are expected to work in a safe manner being aware of their surroundings which include but not limited to (1) other volunteers, (2) electrical wiring overhead and/or buried, (3) surface and buried piping (gas, water, and wastewater), (4) electronic communication wiring, (5) trees, branches and other natural surroundings, and (6) wildlife.**

**Volunteers will be expected to provide their own tools and not expect to be reimbursed for tools lost or damaged during work projects.**

**Volunteers will work in groups of two or more and only when the homeowner is present.**
